Note: Make sure you are logged into your Notion account, then click 'Duplicate' in the top-right corner to copy the workspace into your account.

Planner Modules

- Interactive Expense Sheet: Input flights, lodging, and food to track budgets dynamically.
- Visual Itinerary Boards: Drag-and-drop days to plan activities and notes.
- Packing Checklist Database: Custom checkboxes to never leave items behind.
- Local Spots Notepad: Save cafe, beach, and restaurant recommendations.
